

# **LAKE CHARLEVOIX ASSOCIATION LAKE GUARDIAN ENROLLMENT NEIGHBORHOOD ASSOCIATION**

**The undersigned NEIGHBORHOOD ASSOCIATION subscribes to support the Lake Guardian program of the Lake Charlevoix Association (“LCA”) as a designated “LAKE GUARDIAN COMMUNITY”. We agree to manage our association and grounds in a manner consistent with the goals of the program of protecting and enhancing the waters, shoreline and watershed of Lake Charlevoix. In particular, we agree:**

- 1. To display a sign or decal at our association evidencing our status as a Lake Guardian Community;**
- 2. To promote lake friendly approaches toward development around the lake, which will maintain and improve the natural shorelines and greenbelts, and eliminate or retard unnecessary or harmful run-off to the Lake;**
- 3. To limit the use of fertilizers and yard chemicals and to avoid their usage in the greenbelt areas; and**
- 4. To develop with LCA a “Guardian” property management plan aimed at eliminating potentially harmful practices and installing approaches toward management of the association and its grounds which are consistent with the goals of the program**

**As a Lake Guardian, we will be listed on the LCA website as a Lake Guardian Community. Such listing will continue so long as we remain a member of LCA and adhere to the principles of the Lake Guardian program. We will inform our members and guests of our participation in the program, and encourage others to support it. We will discuss with LCA any practices which may not be consistent with the goals of the program. We acknowledge that our participation may be revoked at any time if we fail to comply with the spirit of this enrollment application.**
