

LAKE CHARLEVOIX ASSOCIATION LAKE GUARDIAN APPLICATION

CONDO/HOMEOWNER ASSOCIATION

The undersigned Association subscribes to support the Lake Guardian program of the Lake Charlevoix Association (“LCA”) as a designated “Lake Guardian Community”. We agree to manage our Association and grounds in a manner consistent with the goals of the program of protecting and enhancing the waters, shoreline and watershed of Lake Charlevoix.

In particular, we agree to:

- **Promote Lake friendly approaches toward development around the Lake, which will maintain and improve the natural shorelines and greenbelts, and eliminate or retard unnecessary or harmful run-off to the Lake.**
- **Limit the use of fertilizers and yard chemicals and avoid their usage in the greenbelt areas.**
- **Develop with the LCA a “Guardian” property management plan aimed at eliminating potentially harmful practices and installing approaches toward management of the Association and its grounds that are consistent with the goals of the Lake Guardian program.**

As a Lake Guardian Community, we will gladly display a Lake Guardian sign or decal at our Association. We will inform our members and guests of our participation in the program and encourage others to support it and the LCA. We will discuss with LCA any project that would not be consistent with program goals. We acknowledge that our participation may be re-evaluated at any time if we fail to comply with the spirit of this enrollment application.
